## **WELCOME TO CHILDREN'S MEDICAL SERVICES HEALTH PLAN!**

Welcome to Children's Medical Services Health Plan! Our top priority is to make sure your child gets high-quality healthcare when needed.

This is the provider directory. The next few pages tell you how to use the directory. Let us know if you need help understanding this.

Families can also use our online Find a Provider Tool to search for providers by address, zip code or county. You can find primary care doctors, medical clinics, mental health providers, hospitals, pharmacies and medical equipment suppliers.

Visit **[FindAProvider.SunshineHealth.com](https://www.findaprovider.sunshinehealth.com)**.

## **EASY TO USE**

We want to make using your child's benefits from Children's Medical Services Health Plan easy. One important way to do this is finding a good primary care provider and seeing him or her regularly. When your child needs care, call your child's PCP to make an appointment. Tell them CMS Health Plan covers your child. It is that simple.

## **CHOOSING YOUR CHILD'S PROVIDER**

Getting care that is right for your child's age and health is important. It is important to have a good relationship with a primary care provider (PCP) who can get to know your child and his or her needs. Visit your child's doctor at least once a year, even if he or she feels well.

During an annual checkup, the doctor can check your child's overall health and discuss health screenings or tests your child may need. The doctor can also help manage any chronic conditions, like asthma or diabetes. The PCP's job is to take care of your child. The doctor may send your child to other providers when specialized care is needed. This is called a referral. The PCP will work with your child and any needed specialists.

Families can choose a child's PCP from our list of providers. If not, we will select one for your child. You can also change your child's PCP to a different PCP at any time.

Family members can choose from:

- Pediatricians (they only see children)
- General/family practice (they see everyone in your family)
- Internal medicine (they usually see adults)
- A provider working in a clinic (for rural areas)

F.203796-04-2024

When your child visits the PCP, here are a few tips to make the most of the doctor's visit:

- Be honest. Do not minimize your child's symptoms or feelings.
- If you do not understand something, ask questions.
- Do not be nervous to talk about your child's health issues or symptoms. The doctor is there to help.
- Ask about next steps and schedule a follow-up appointment, if needed.

If you need help or do not see your doctor in this directory, call your child's CMS Health Plan care manager or Member Services at 1-866-799-5321 (TTY 1-800-955-8770).

### **CHOOSING AN OB/GYN**

Families may pick any OB/GYN doctor from the CMS Health Plan network. This doctor takes care of female healthcare needs without a referral from your child's provider. An OB/GYN helps your child with pregnancy care, yearly check-ups and general women's health. If you need help, call your child's CMS Health Plan care manager or Member Services at 1-866-799-5321 (TTY 1-800-955-8770).

### **FAMILY PLANNING**

CMS Health Plan members can get family planning services without a referral from their doctor. Your child can get services directly from his or her doctor. Your child can also go to any family planning clinic that takes CMS Health Plan Medicaid. If you need help choosing a family planning provider, call your child's CMS Health Plan care manager or Member Services at 1-866-799-5321 (TTY 1-800-955-8770).

### **ACCESSIBILITY**

This way, someone can be ready to help when your child arrives. If you need help talking with your child's doctor about special needs, call your child's CMS Health Plan care manager or Member Services at 1-866-799-5321 (TTY 1-800-955-8770).

## **FÁCIL DE USAR**

Queremos facilitar el uso de los beneficios de su hijo de Children's Medical Services Health Plan. Una forma importante de hacerlo es encontrar un buen proveedor de atención primaria y consultarlo de manera regular. Cuando su hijo necesite atención, llame al PCP de su hijo para concertar una cita. Dígale que CMS Health Plan cubre a su hijo. Es así de simple.

## **ELEGIR EL PROVEEDOR DE SU HIJO**

Recibir la atención adecuada para la edad de su hijo y su salud es importante. Es importante tener una buena relación con un proveedor de atención primaria (PCP) que pueda conocer a su hijo y a sus necesidades. Visite al médico de su hijo al menos una vez al año, incluso si se siente bien.

Durante un chequeo anual, el médico puede comprobar la salud general de su hijo y analizar pruebas o exámenes médicos que su hijo pueda necesitar. El médico también puede ayudar a controlar cualquier afección crónica, como asma o diabetes. El trabajo del PCP consiste en cuidar a su hijo. El médico puede enviar a su hijo a otros proveedores cuando se necesita atención especializada. Esto se denomina derivación. El PCP trabajará con su hijo y con los especialistas necesarios.

Las familias pueden elegir el PCP de un niño de nuestra lista de proveedores. Si no, seleccionaremos uno para su hijo. También puede cambiar el PCP de su hijo por otro PCP en cualquier momento.

Los miembros de la familia pueden elegir entre los siguientes:

- Pediatras (solo atienden niños)
- Medicina general o familiar (atienden a todos los miembros de la familia)
- Medicina interna (generalmente atienden a adultos)
- Un proveedor que trabaja en una clínica (para zonas rurales)

Cuando su hijo visita al PCP, estos son algunos consejos para aprovechar al máximo la visita al médico:

- Sea sincero. No minimice los síntomas o sentimientos de su hijo.
- Si no entiende algo, haga preguntas.
- No se ponga nervioso al hablar sobre los problemas o síntomas de salud de su hijo. El médico está allí para ayudar.
- Pregunte sobre los próximos pasos y programe una cita de seguimiento, si es necesario.

Si necesita ayuda o no ve a su médico en este directorio, llame al administrador de atención médica o al Departamento de servicios para miembros de CMS Health Plan de su hijo al 1-866-799-5321 (TTY 1-800-955-8770).

### **ELEGIR UN OBSTETRA/GINECÓLOGO**

Las familias pueden elegir a cualquier médico ginecólogo u obstetra de la red de CMS Health Plan. Este médico se ocupa de las necesidades médicas femeninas sin derivación del proveedor de su hijo. Si necesita ayuda, llame al administrador de atención de CMS Health Plan o al Departamento de servicios para miembros de su hijo al 1-866-799-5321 (TTY 1-800-955-8770).

### **ACCESIBILIDAD**

De esta forma, alguien puede estar preparado para ayudar cuando llegue su hijo. Si necesita ayuda para hablar con el médico de su hijo sobre necesidades especiales, llame al administrador de atención médica de CMS Health Plan de su hijo o al Departamento de servicios para miembros al 1-866-799-5321 (TTY 1-800-955-8770).
