## **SCHOOL LIAISON** *Program Overview*

### **Did you know your child may be able to get extra help with school?**

Our CMS School Liaisons can work with you and your child's school to request an evaluation. There may be special services and supports that can help your child succeed. Ask their Care Manager for a referral to the School Liaison program to get started.

#### **WHAT SCHOOL LIAISONS DO:**

- ✔ Help get your child the medical services and accommodations they need at school
- ✔ Teach you about the Florida public school system and your child's educational rights
- ✔ Work with your child's Care Manager, doctors and other service providers to coordinate your child's school-based care
- ✔ Inform schools and school districts about the school liaison program
- ✔ Form relationships with schools and school districts as the health plan's education experts
