

Sunshine Health Maternal Project ECHO Clinical Case Presentation

Disclaimer: These sessions do not create or otherwise establish a provider-patient relationship between any clinician and any patient whose case is being presented in a Project ECHO setting. They should be seen as general evidence-based discussions that could be applied in similar cases, and should not substitute, take the place of, nor be interpreted as direct patient care or a direct patient care relationship.

Privacy Notice: All Project ECHO participants, presentations and materials must adhere to the Health Insurance Portability and Accountability Act (HIPAA). Participants in Sunshine Health Maternal Project ECHO sessions must not share any protected health information (PHI). All of the clinical cases presented must be de-identified so that no patient information is shared. These sessions are strictly discussions of de-identified cases for general knowledge.
