EASY TO USE

Getting benefits from Sunshine Health is easy. We believe the best way for you to keep good health is to have a good relationship with your family doctor. That is why you pick your own Primary Care Doctor (PCP). When you need care, all you have to do is call your PCP for an appointment. Tell them you are covered by Sunshine Health. It's that simple.

CHOOSING YOUR PCP

Each eligible family member is asked to choose a PCP from our list. Your PCP has the job of taking care of you and sending you to other doctors when you need them. You can have the entire family see one PCP or each family member may pick a different PCP.

Family members can choose from:

- Pediatricians (they only see children)
- General/Family Practice (they see everyone in your family)
- Internal Medicine (they usually see adults)
- A provider working in a clinic (RHC/FQHC)

If you need help or don't see your doctor on this list, call Member Services. The number is 1-866-796-0530 (TDD/TTY 1-800-955-8770).

CHOOSING AN OB/GYN

Women may pick any OB/GYN doctor from the Sunshine Health Provider Network. This doctor will take care of female health care needs without a referral from your doctor. An OB/GYN can help you with pregnancy care, yearly check-ups and any female problems you may have. Call Member Services if you need help. The number is 1-866-796-0530 (TDD/TTY 1-800-955-8770).

BEHAVIORAL HEALTH

Behavioral Health refers to mental health, alcohol, and drug abuse services. Sunshine Health's behavioral health provider, *Cenpatico*, has a group of doctors that can help you. They are listed in this directory. You can also call Cenpatico at 1-800-716-5650, 24 hours a day, 7 days a week. You do not need a referral from your doctor for behavioral health services from an in-network provider.

FAMILY PLANNING

Sunshine Health members can get family planning services without a referral from their doctor. You can get your services directly from your doctor. You can also go to any family planning clinic that takes your Medicaid form. Call Member Services if you need help choosing a family planning provider. The number is 1-866-796-0530 (TDD/TTY 1-800-955-8770).

ACCESSIBILITY

If you use a wheelchair, walker or other aids and need help getting into your doctor's office, call your doctor's office. Call before you get there. This way someone will be ready to help you when you get there. If you would like help talking with your doctor about your special needs, call Member Services. The number is 1-866-796-0530 (TDD/TTY 1-800-955-8770).
