

DESIGNATED ALTERNATE PRESCRIBING PRACTITIONER FORM

In accordance with NCQA Credentialing Standard CR3: Credentialing Verification Element A2 – Valid DEA or CDS certificate, all practitioners without a valid DEA must have in place a designated alternate practitioner to write prescriptions on their behalf. This standard also applies to practitioners whose DEA certificate is pending.

This form confirms the designated alternate prescribing practitioner as noted below.

Practitioner Name:	_____
Practitioner NPI:	_____
Practitioner Specialty:	_____
Designated Prescribing Practitioner:	_____
Prescribing Practitioner DEA #:	_____
DEA Verification Completed by:	_____
DEA Status:	_____
Verification Date:	_____
